

Greetings from Father Sam

Happy Father's day!! We all ask God to bless our Dads' this day with health, strength, courage, faith, hope and charity. The image of the father has changed quite a bit in our western society. In the early 20th Century the father was the only "bread winner" in the family. The father was the head of the home and if he was really wise he consulted his wife on family matters. Fathers were never in the delivery room when we were born but were waiting in the family waiting room ready to hand out cigars with either blue or pink bands on them when the announcement of birth was made!!

Our fathers have a new experience now!! They're in the delivery room, they vacuum the floors, they cook and sometimes mommy has the "better job!!! I love team work!! Both dads and moms share the gift of parenting and home building but as we honour our moms so we honour our dads for their love, support, wisdom, encouragement and faith!!

May God bless our deceased dads' with eternal rest and love.

A New Social Committee

On Tuesday evening, June 5, we formed a social committee of about 12 people who will organize events for our families during the year. Besides our annual Spaghetti Dinner and Social of the Saints we want to organize a monthly lunch after the 12 noon mass and other activities, during the year. A sincere thank you to all our members and hopefully these activities will strengthen our community friendship.

Saluti da Padre Sam

Buona Festa del Papà!! Tutti chiediamo a Dio di benedire i nostri padri oggi con salute, forza, coraggio, fede, speranza e carità. L'immagine del padre è cambiata parecchio nella nostra società occidentale. All'inizio del XX secolo il padre era l'unico "vincitore del pane" nella famiglia. Il padre era il capofamiglia e se fosse stato veramente saggio consultava sua moglie per questioni familiari. I padri non erano mai nella sala parto quando eravamo nati, ma stavano aspettando nella sala d'attesa con la famiglia pronti a distribuire sigari con bande blu o rosa su di loro quando è stato fatto l'annuncio della nascita !!

I nostri padri hanno una nuova esperienza ora !! Sono nella sala parto, aspirano i pavimenti, cucinano e talvolta la mamma ha il "miglior lavoro !!! Adoro il lavoro di squadra !! Entrambi i padri e le mamme condividono il dono della genitorialità e della casa, ma mentre onoriamo le nostre mamme, onoriamo i nostri padri per il loro amore, sostegno, saggezza, incoraggiamento e fede !!

Possa Dio benedire i nostri padri defunti con il riposo e l'amore eterno.

Un Nuovo Comitato Sociale

Martedì sera, 5 giugno, abbiamo formato un comitato sociale di circa 12 persone che organizzeranno eventi per le nostre famiglie durante l'anno. Oltre alla cena di Spaghetti annuale e alla Festa Sociale dei Santi, vogliamo organizzare un pranzo mensile dopo la messa delle 12 e altre attività durante l'anno. Un sincero ringraziamento a tutti i nostri membri e speriamo che queste attività rafforzino la nostra amicizia comunitaria.
